

Change the Board

A simple guide. Pick one step. That is enough.

Change the Board is a peaceful, local rally effort. Neighbors gather lawfully to ask for due process, transparency and accountability in our courts.

Rally plan organized by Sandra [TO CONFIRM: full name]. Shared by Carey Ann George.

You do not need to do everything. You can say no to anything, at any time.

Five ways to take part

1. **Join a local rally, if it suits you.** When: [TO CONFIRM]. Where: [TO CONFIRM]. Who to ask: [TO CONFIRM]. Keep sidewalks and doorways clear.
2. **Sign the petition** online at change.org/United_we_stand, or at the petition table at a rally. Signing is your choice.
3. **Help with one small role**, such as greeting, the petition table or accessibility. Roles rotate.

Hi, I would like to help with the Change the Board rally. I could help with greeting, the petition table or accessibility, and I am usually free on [days]. Please let me know if there is a good fit, and no pressure if not.
